Work order 010922-1 Description and terms.

• The price quote above refers to 4 hours of filming that is to be held in Messe Berlin between the hours of 10AM and 5PM on the day of september 21st, 2022.

For this event, Amit edelman will provide 1 camera operator along with appropriate equipment for handling recording of 4k footage along with 2 channel audio recording with lavalier microphones, for the purpose of same day video editing.

camera angles description.

for 2 people interview scenario

Camera A: will show both interviewees in a 2shot. in camera landscape mode (wide)

for single interview scenario

Camera A : will show only one person, in camera landscape mode, can be cropped to portrait mode to fit better for social media.

File format and footage

Camera A footage will be captured as 25P 4k 10bit 4:2:2 footage, if not requested otherwise by production, colorspace and gamma curve will both be decided by Amit Edelman but as default, both at rec709.

Setup

Interviewees seating and non technical accessories to be provided by the client.

1 camera, tripod, sufficient lighting and 2 neck mic recorders and mixer to be supplied by amit edelman.

Specific footage and VIP

The client will notify Amit Edelman of any specific requests for footage of real time events or other, as well as notable people to be featured in the final project as well as pinpoint their location and/or arrange for their film op as needed..

Post Production

same day delivery - up to 5 min of interviews split in up to 4 clips, including 10-15 sec of general booth footage as intro to be used repeatedly in all clips.

music costs are included if music from artist.com is sufficient..

full clips of the full interviews will be provided through wetransfer by september 27, 2022.

All final exports to be provided in 25P 4k h264 format, widescreen format (portrait format is possible per request but might incur additional cost for 2 shot
